Ingredients and allergens may change without notice. This chart is complete at the time of publication, July 2026. New product introduction, ingredient and/or recipe changes may cause this chart to become obsolete - please continue to check for updates or contact customercare@panago.com. **Peas are legumes. People with severe allergies to legumes, like peanuts, should be cautious when introducing pea protein into their diet because of the possibility of a pea allergy. Contains no peanuts or tree nuts.
